COMMANDERS CORNER

Greetings Everyone,

I hope everyone's summer is going well in spite of all the rain. I hope that everyone had a safe and enjoyable Memorial Day weekend.

Chapter 41 Officers were sworn in on May 21, 2019. They received their charter and now are an official Minnesota DAV Chapter. Jerald and I will be meeting in the weeks to come to figure out our corresponding Chapter coverage areas. We will lose some area but I'm glad to know that there is now a Chapter up North for the veterans in that area.

Our clothing program is still going strong. The Savers stores in Fargo, ND and Sioux City, IA are no longer taking any deliveries from any Minnesota DAV chapters. The Department has worked out a plan with Savers to locate semi-trailers in several centralized towns to help the Chapters that are affected by this change. Also, the Department has contracted with another company to pick up semi loads of excess clothing that Savers can't take.

We can always use more volunteers on Tuesday mornings at the Chapter Headquarters for the clothing program.

Summer Picnic is scheduled for Saturday August 24, 2019 at the Chapter Headquarters. It will be from 12-4 pm like in the past. Meal will be Brats, Hamburgers, Pulled Pork Sandwiches, Beans, Potato Salad, and Coleslaw. Come for a day of just relaxing and socializing.

Hopefully by the time of our picnic our back lot will be blacktopped so it will be nice and smooth and no dirt.

Sincerely,
Mike Zimmerman

CHAPLAIN'S CORNER

Last month we were looking at the current time we all live in (regardless of faith), while waiting for the return of Christ. This is not to say everyone is expecting or wanting the return of Christ. Some people are gladly expecting his return, while for others this is not a concern, and many could care less. There are many issues relating to whether a person expects Jesus' return; one issue is belief - whether or not a person believes He is the Jewish Messiah, another issue is relationship - how genuine is their relationship with Christ. There are a lot of discussions about these considerations, some of those conversation are genuinely helpful, while others are not. A person's anticipation and expectation of Christ's return is something only that person and Jesus can address. On that note, over the next few months, let's look at some of these considerations and discussions in light of the scriptures. We will be considering such issues as:

1. God's Goal - What has God accomplished, is accomplishing, and will accomplish?
2. Time and Culture - Does the Bible reflect the time we live in now, and how can this relate to our current culture?
3. Personality and Authentic Relationships with Christ - What about individual personalities relating to the manner you respond to God and others? An example may be - are you a task orientated person who initiates things (demanding, decisive, controlling), or on the other side of the spectrum, a people orientated person who responds to things (calming, sincere, easy going). An observation - each personality has both positive and negative attributes, but all personalities under the influence of the Holy Spirit (Gal 5:22), while responding to God, brings blessings to others, while enriching their relationship with Christ.
4. Integrity and Authentic Relationships with Christ. What do the scriptures reflect about a person's true relationship with Christ? This really does involve integrity. There are so many military veterans with integrity who serve with honor, yet there are those who are copycats (stolen valor) and who are not veterans at all. Just as there are stolen valor issues, there are false relationships with Christ too (Matthew 7:15-29)

The above considerations will be presented in a positive and informative manner. No doubt some of these issues have been controversial. There have been volumes written about the many facets concerning these issues, which has actually created quite a bit of concern for many people over the years. One observation has to do with the intense deception that seems to be so prevalent in our world. This deception actually is not new (Genesis 3), although it continues to develop. Some examples of this deception can be found in the functioning of our political system that really puts a black mark on those who truly are wanting to be honest and do their best. This goes for any career where integrity and trust are vital, such as retail - employee theft, law enforcement - internal affair investigations, accounting - tax evasion, education - standards compromised, and clergy - religious abuse. As a result, while looking at these issues over the next few months, keep in mind the purpose is not for someone to falsely accuse anyone in particular of an improper relationship with Christ, nor is it appropriate for any person who has a genuine relationship with Christ to question or second guess their relationship.

Before closing I would like to announce a PTSD Awareness Lunch and Presentation at Noon, Sunday, June 23rd, at the Eagles club, 1270 Neilson Avenue SE, Bemidji, MN. Hope to see you there.

Mike Gutz
