COMMANDER'S CORNER

Hello Everyone,

I hope everybody is surviving the heat and nobody's well is going dry. I used to say that when it got over 80 degrees, people in northern Minnesota quit working, because it was too hot. This summer if you did that, you wouldn't get anything done. By the time you read this, it will be September, and we will probably want some of this heat back.

We need a **TREASURER** that knows Excel on the computer and is a member of DAV. Talk to your fellow veterans, somebody in our 600-member chapter must know something about computers, Excel, and finances. I believe that Scotty said that it only took 4 hours to do the yearend financial statement and we hire tax prepares to do the taxes. So, from somebody that doesn't know computers, it sounds like a pretty good program. Let's beat the bushes and find someone out there that is willing to take on this challenge.

We are starting to build inventory in our clothing program, so far this summer we have been getting more than one truck a month, thanks to Josh and Savers, but that can stop at any time. It is great to be getting these donations, it allows us to have the funds that we need to help our fellow veterans and their families.

Remember, at next month's general meeting, we will again be reading and voting on the recommended changes to our Constitution and Bylaws. This is your last chance for your input before they will be sent to DAV State and National for their approval, so plan on attending the meeting on September 20.

Today is 8/18/21, the DAV picnic is on 8/21/21, I do declare the picnic is a great success, great food, comradeship, music, and a good time had by all, if you didn't attend, you missed out for another whole year.

A fellow Veteran,
Gene Schwantes

That person would need to know how to work in the Excel program and would have to be a DAV member.

CHAPLAIN'S CORNER

On the day of this writing, the weekend of 15-16 Aug 2021, you may all know by the time you receive this newsletter; Kabul and the entire country of Afghanistan has now fallen under the control of the Taliban.

Just as Job's three friends were speechless (Job 2:11-13 NIV), many veterans and their families are at a loss for words, including Julie and me. My prayer for everyone who has worked, served, and sacrificed in any and all ways since 911 and during this Global War on Terrorism be given time to disbelieve and grieve as we all come to terms with the events of this past weekend. Yet at the same time I ask each of us to reaffirm our comfort to one another and our trust in God as He comforts us through His words:

*Even though I walk through the valley of the shadow of death, I fear no evil for you are with me.
(Psalm 23)NIV*

DAV NEWS RELEASE

INTRODUCING OUR NEW NATIONAL COMMANDER

Combat-wounded Vietnam War veteran and Huntington, WV, native Andrew Marshall was unanimously elected national commander of the more than 1-million-member DAV (Disabled American Veterans) today at the organization's 2021 National Convention in Tampa, Florida.

"After more than a year of fighting the COVID-19 pandemic, I couldn't be prouder to be in a position to help DAV as we continue to help veterans transition back to normal," said Marshall.

As an airborne infantryman serving with the American Division in the KheSanh Valley in Vietnam in December 1970, Marshall was injured by friendly fire while engaged in enemy combat. After two weeks of recovery, he was transferred to the 173rd Airborne Brigade and returned to the field. On patrol in January 1971, he stepped on an improvised booby trap. The explosion injured his lower extremities, resulting in the amputation of two toes and extensive damage to his left leg.

Marshall was medically retired from the Army having received the Bronze Star, the Purple Heart, and Army Commendation Medal with "V" device. He went on to join DAV's professional ranks as a benefits specialist, supervisor, and leader, dedicating 41 years to serving his fellow veterans and their families. "I'm honored to pick up the torch after National Commander Stephen Whitehead carried it for two years, the first time a commander has done so since World War II. As we get back to business, I'm encouraged by the tenacity of our members and our fellow veterans all across this nation," said Marshall. "We will continue to fight to make sure all of their voices are heard as we protect their benefits and advocate for legislation to improve the lives of all veterans." As supervisor of DAV's national service office in Bay Pines, Florida, Marshall initiated a claim on behalf of a veteran that ultimately resulted in a change to national Department of Veterans Affairs policy by allotting multiple clothing allowances for amputees and other severely disabled veterans.

Marshall served for three years on the Florida Veterans Advisory Committee and was also assigned to the DAV Judicial Appeals Office in Washington, D.C.

"We've had a tough couple of years, and many times we've had to adapt quickly to unexpected hurdles," said DAV CEO Marc Burgess. "Commander Marshall has been a pivotal leader for our organization, and I look forward to seeing how far he can take us as our national commander."
