# COMMANDER'S CORNER

Happy Holidays to All,

By the time you read this, Christmas and New Year's will be over, but I do hope that everyone has a great 2022. The thing is, with the pandemic, cold and flu season, the time being the beginning of January and the coldest part of winter in front of us, there is so much room for improvement, that I hope everybody's life is on a downhill slide to good times, joy in their life, free from illness and stress.

To start the year out, be sure to attend the DAV January and February Chapter meetings, when will be nominating and in February also electing new officers including Commander, Senior Vice Commander, and Junior Vice Commander. All other officers will be appointed to their positions by the Commander and the Chapter membership will be electing up to 5 Executive Committee at large Members. Be sure to attend, put your name in the hat for an officer position or "at large Executive Committee Member", and to be able to vote, because all voting must be done in person at the Meeting. This is your time to lead or pick your Chapter Leadership, so don't miss this opportunity. Remember, we are also in need of a Treasurer, which is vital to our organization.

There are lots of opportunities to get involved in YOUR Chapter, from being an officer, to helping the clothing program crew on Mondays, Tuesdays, Fridays or being on call, getting involved with the medical equipment program or numerous other jobs. This can be from several times a week, to once a week, to whenever you are available and you don't have to be a Veteran to volunteer, everybody is welcome. The current working crews, like everybody else, are not getting any younger and an extra hand makes the load lighter for everybody, so please consider volunteering wherever you are able, whether it be physical labor or talking to make decisions regarding the Chapter in the Executive Committee, remember, it is YOUR CHAPTER, and we are all here for one thing, to HELP our fellow veterans.

For the day-to-day items, the clothing program is still going gang busters, there is very little slow down in donations from summer to winter. The medical equipment program is still busy receiving donations and handing out equipment to Veterans in need. The jobs around the Headquarters have changed a little, we quit mowing the lawn and replaced it with shoveling snow, the rest of the work remains the same, just like at home. Come and join us, there is **no charge for any of our exercise programs.**

With basically no minutes due to not having a regular December meeting, Tom asked me to make the Commanders Corner a little longer, I hope this helps Tom and that all of you find this interesting and/or informative. As always, any questions, please feel free to give me a call, Chapter wise or for medical equipment, 218-556-4592.

Have A Great 2022,  
Gene

# THE DISABLED AMERICAN VETERANS NORTH CENTRAL CHAPTER #7

## REGULARLY CONVENED ON 20 DECEMBER 2021 AT 1730.

The meeting was called to order by Commander Schwantes at 1730 hours at the Eagles Club. The meeting was held in conjunction with the DAV Christmas Party. Commander Schwantes welcomed all that could attend, and the meeting was adjourned at 1740 hours with a motion to adjourn made by Darrel Baltzell and seconded by Jeff Meyer.

The food was great and lots of raffle prizes were awarded. Also, a table full of miscellaneous items was available for attendees to freely take as a little extra Christmas treat. Folks were in the Christmas spirit, having a nice evening of friendship, food, and fun.

Unfortunately, we were sorry to hear of the passing of Ginger Edwards, Auxiliary Commander who fought a hard battle with Covid and pneumonia. Ginger's expertise and dedication to the Auxiliary and the DAV organization was well known and so very much appreciated. She was honored with a moment of silence and prayer.

Commander Schwantes ended the official part of the evening with a wish for everyone to have a Merry Christmas and a Happy New Year!!!

## CHAPLAIN'S CORNER

The November article was an introduction to both articles of last month and this month. Last month we were looking at Isaiah 1:18 and Galatians 1:7, with particular emphasis on Isaiah 1:18. This month we are continuing with Galatians 1:7.

Paul and Barnabas had just completed their first missionary journey in Galatia, a Roman Province (south central Turkey) around 48 AD. As an Apostle of Christ (Acts 9), Paul was bringing the good news about Jesus Christ to the Gentile population. This was incredibly new and at times a controversial subject (Acts 15).

At this time, it was believed a Gentile had to be circumcised and follow Jewish laws in order to be saved, a picture of this can be seen in the life of Moses, when God wanted to kill Moses for not following His instructions to circumcise his son (Exodus 4:24-26). Keep in mind, the main point here had to do with blood, because without bleeding, there was no forgiveness of sins. Consequently, for Jews, this meant circumcision and animal sacrifice. Many people throughout the ancient world practiced circumcision and animal sacrifice, yet for Jews, this took on a significant meaning because it was instituted by God through Moses in order for a person to have a relationship with God. Yet this circumcision and animal sacrifice was not just an act or an event in a person's life but should include a trust in God; a belief in everything God says is true.

The change comes into effect with Jesus because it is no longer circumcision and animal sacrifice that establishes a covenant or relationship with God, but faith in Jesus Christ alone, this is what Jesus meant by a new covenant. As a result of Jesus' death on the cross and His resurrection, Gentiles can now have a covenant or relationship with God. Yet there were many Jews who were saying there had to be more than just faith in Christ, Gentiles had to be circumcised and follow Jewish law in addition to faith in Jesus.

Paul and Barnabas had their work cut out for them back in the first century as this still applies today. Anyone who adds anything to their faith in Christ (like doing something for their salvation) such as giving money is basically doing the same thing. As a result, they do not understand and know Jesus, because it was Jesus' work dying on the cross that opens the door to know Him, not anything we do.

Unfortunately, we have seen and heard many different things people seem to be adding to Jesus' work on the cross, these people are adding or changing the gospel of Jesus Christ, something Paul wrote not to do. This can take many forms such as giving a certain amount of money to the ministry or becoming financially successful in the hopes that God would grant them a blessing or helping the poor in a variety of different ways. Our relationship with Christ is the reason we already have God's grace or unmerited acceptance; we do not have to do anything to earn it. We do things for others out of our relationship with Christ, not to earn it (Ephesians 2:10). Another way people are getting the gospel mixed up is by substituting or adding motivational, self-help ideas in with the gospel of Christ. People who are self-proclaiming themselves as healers and prophets who are simply using Jesus' name as an add-on to their activities will be surprised to find out that Jesus never knew them (Matthew 7:21-23). This is because they never really turned their lives over to Christ by repenting of their sins and humbling themselves before God. May the grace of Jesus be with you. We hope all of you are safe, and we pray for those who are in the hospital or are having a difficult time.
