COMMANDER'S CORNER

Greetings Veterans,

We are nearing the end of summer for the year of 2022; I hope everyone was able to get out and enjoy it. The annual DAV Chapter summer picnic was held on August 20th, and I believe everyone had a good time. A BIG THANK YOU goes out to the picnic committee for doing a great job!

The clothing program is going full bore, we are shipping a semi load every 3 - 4 weeks with no sign of it slowing down. So, another BIG THANK YOU has to go out to the clothing program crews and Clothing Program Chairman Bruce Tiegen!

Medical equipment is also moving very well, both in donations and in issues. Last month alone, we issued 15 items and so far, this summer we have installed 3 ramps with another one still to go. Remember if a veteran or family member needs any type of medical equipment, please get ahold of DAV to see if we can fill your needs.

Well, fall is on the way and jackets will soon be the normal attire for outdoors and we all know what's next, so get out and enjoy yourself before lockdown sets in.

Hope to see everyone at next month's meeting, we have plenty of chairs available.

Gene Schwantes

The Executive Committee members are supportive of recommending to general membership that this gentleman be helped through our Veterans In Need fund. Jack will follow through with verifying that the gentlemen is a Veteran and Jeri Harvey will follow through with checking the records for previous assistance to this gentleman. Jim Pinsonneault will check with the Habitat for Humanity group to see how they might help in the effort. AUXILIARY COMMANDER'S CORNER

Happy Summer!

We held our August meeting on the 15th at the DAV building.

If you know anyone who wants to be and is eligible to be a DAV auxiliary member, we have a campaign for the first 10 people where they will only need to pay \$50. Please see or contact Linda Engesether at 218-308-1041 for details.

We worked on filling kids' clothes backpacks for the Fargo clinic. These backpacks have a small toy and color crayons, color book or notebook so they can have an activity while waiting for their appointment. We hope to have more backpacks made by our next meeting to be able to fill more.

It was nice seeing so many of you at the DAV annual picnic. Thank you to the picnic committee, they did a great job, and the food was delicious.

Hope to see you at our next meeting on October 17th.

CHAPLAIN'S CORNER

As we continue our writings about biblical citizenship, we would like to first take this opportunity to thank everyone in our Disabled American Veterans Auxiliary who helped serve and make our annual summer picnic such a wonderful time. We would like to thank everyone for getting together while enjoying each other's company and the wonderful food. It was genuinely a great time. If for any reason, any of you reading this article, could not attend our Disabled American Veterans Annual Picnic, then we certainly missed you and hope to see you at our picnic next year.

We have mentioned our Founding Fathers many times. It's good to remember not only their tremendous sacrifices and contribution to establish our representative republic, but the providence they lived under God's direction. One such outstanding example is our first president, General of the Armies of the United States George Washington.*

It is always good to have a scriptural reference for our discussion. One scriptural reference is Psalm 91 and refers to the providential protection for combatants in battle such as King David with an equal application to George Washington. God's providence has approximately four different views that attempt to describe or explain the manner in which this works out. The four different views can best be succinctly stated as:

- 1) God Causes All Things
- 2) God Directs All Things
- 3) God Controls by Liberating
- 4) God Limits His Control

There are many examples of God's providence in George Washington's life. Regardless of the manner we use to describe or explain God working out His providence nevertheless, God is protecting George Washington as this example will show.

In 1777, at the battle of Brandywine, British Major Patrick Ferguson, an extremely gifted, accurate and well-known rifleman, commanded The British Sharpshooters under General William Howe. Major Ferguson and his men were given the mission to identify American Military Officers to shoot them down. Yet Major Ferguson with his best sharpshooters and armed with the most accurate rifle at the time, could not shoot a particular American Officer, even at pointblank range. This officer was later identified after the battle as General George Washington. It was interesting Major Ferguson's report reflected he could have shot General Washington with "... a half dozen balls before he was out of my reach..." Yet it would have disgusted him to shoot, because General Washington was turning around engaged in administrative duties with his back in Major Ferguson's sights. The early historian Lyman Draper wrote, "...This singular impulse of Ferguson illustrates the overruling hand of providence in directing the operation of a man's mind when he himself is least aware of it."

[HJ. Res. 519] 94th Congress, PUBLIC LAW 94-479—OCT. 11, 1976,

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That

(a) for purposes of subsection (b) of this section only, the grade of General of the Armies of the United States is established, such grade to have rank and precedence over all other grades of the Army, past or present.

(b) The President is authorized and requested to appoint George Washington posthumously to the grade of General of the Armies of the United States, such appointment to take effect on July 4, 1976.

Approved October 11, 1976.

Our prayer for you is this. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus. (Phil 4:7, NLT).
