## COMMANDER'S CORNER

Greetings Everyone,

Well, here we are in the middle of winter and my guess is that everybody is saying "enough is enough, let's move on and get spring moving in", but we all know that we are still 2 1/2 months away from warmer weather.

In February, at the Chapter meeting will be your last chance to nominate someone for office or throw your name in the hat to be an officer. If you have any desire to be an officer, either elected or appointed, or on the Executive Committee, please contact the nominating committee, if you need a phone number contact Darrel B. or myself, we will be glad to help. At the meeting, after all nominations have been made, elections will be held, so now is the time to get involved and/or place your vote, February is a very important month, so plan on attending the Chapter Meeting on 2/21/22 at 6:30 pm. We are still in need of a treasure!

The clothing program is still going strong, and the bin pickup folks and the Tuesday work crew folks are freezing, but still showing up and getting the job done to keep the program going and the funds generated coming in. Again, I thank them for their dedication and endurance, it is greatly appreciated.

If you have any needs for medical equipment currently or coming up in the near future, please contact DAV to see what we have available. If we have what you need, there is no cost to you and we are a lot faster than the VA or anyone else, you just need to be a veteran or veteran family member. Also, if you need any other assistance, please feel free to contact DAV and see if we can help, Shane Gustafson, our County Veterans Service Officer is a great resource also.

I hope everybody is staying warm, enjoying winter to the best of their ability, and last but not least, staying healthy, which is not easy at this time of year.

Best wishes to all,

Gene Schwantes

## CHAPLAIN'S CORNER

Greeting comrades, and all you fun loving people with inquisitive minds. This has been an interesting year to say the least. We thought it may be a good time to look forward into this year with an eye on history. As veterans we love our country, and it would be interesting to see God's providence in the creation of The United States of America. Specifically, we would be looking at the profound impact the scriptures had on our founding fathers as they crafted, debated, sacrificed, and set in motion one mission. This took from approximately July 4, 1776, to December 15, 1791, the Declaration of Independence, Articles of Confederacy, The Constitution of the United States, and the Bill of Rights.

This article is not about world views, because many of our founding fathers had different world views, theism, deism, naturalism, and others. There were hardships and heartaches, no doubt. There were decisions made in the development of this country that harmed others, and to this day, continue to get people riled up. This article is not about the United States of America replacing Israel as God's favorite nation. Recall we live in a fallen world. Leaders are just as sinful as the rest of humanity, and this includes us. Paul wrote to the Romans, "We have all sinned and come short of the Glory of God" (Romans 3:23 - King James Bible). We recall from earlier articles written in this newsletter, God's purpose is to raise up a people for Himself, and to have individuals, nations and states point others to Christ. This is done by living wholesome lives, having good policies, abiding by laws, and having the freedom to obey God as He illuminates the scriptures in our hearts. As you may have already noticed, we have just now touched on the basis of the First Amendment.

This article is about biblical citizenship, there is no competition between nations and people groups with God, only the awesome responsibility that comes with people, or nations, whose purpose through obedience to God, is to live a holy (separated) life. Regardless of a nation's behavior, God is still sovereign. God is full of mercy, God wants all people to know Him, but make no mistake, God continues to hold individuals and nations responsible for their actions (Book of Jonah). Notice God sent Jonah to Nineveh for the salvation of the people, yet God later in the future, used Nineveh to punish Israel for their sins too. As the book of Jeremiah and Lamentations show, God wants His people to stop sinning and return to Him for a future restoration.

Let us close this article as an introduction and begin our journey of biblical citizenship. As we explore the thoughts, concepts and understanding of our nation's forefathers, while we investigate their awesome responsibility for the proper application of scriptures to build this nation. May the grace of Jesus Christ be with you all.

Mike and Julie Gutz
